This project is financed by the European Climate Initiative (EUKI). EUKI is a project financing instrument by the Federal Ministry for the Environment, Nature Conservation and Nuclear Safety (BMUB). Its implementation is supported by Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ). It is the overarching goal of the EUKI to foster climate cooperation within the European Union in order to mitigate greenhouse gas emissions. It does so through strengthening cross-border dialogue and cooperation as well as exchange of knowledge and experience.

### CLIMATE RECON 2050 – TWIN DIALOGUES: PMP & TD

# Climate Recon 2050: Dialogues on Pathways and Policy

Different types of  
topics to be discussed

PMP

# Climate Recon 2050: Dialogues on Pathways and Policy

Different types of  
topics to be discussed

What do you „wish for“ in the coming workshops?

- technical topics
- good policy advising
- „other“
